# About Us

Mockup Windows journey exemplifies the power of determination, teamwork, and a focus on meeting customer needs. From a small retail shop to a well-known brand, they have transformed their passion into a successful enterprise, contributing to the advancement of the aluminium windows industry.

### Experience:

25 years, since 1998

**Founder:** Dharmesh Jain

**Co-Founder:** Rakesh Jain | **Co-Founder:** Jay Jain

### Catering to:

Interior Designers | Developers | End Users | Architects

### Why Us:

### Strong & Secure

Made with heavy duty aluminium extrusion sections, which are designed based on prevalent wind pressures, providing strength & stability

### Long Life

Mockup Windows are weatherproof and have a life span of about 15-20 years which is more longer than ordinary windows
